Stephen and Matt,

The Resolution Report which contains the Approved JD for the Unnamed Tributary to Queen Creek 15050100-991 can be found at <http://www.resolutionmineeis.us/sites/default/files/technical-reports/westland-jurisdictional-waters-20110728.pdf>

It is a very large document. The AJD for the Unnamed Trib -991 ("EP1", as depicted on Sheet A1 page 44 of Attachment 3a) is found in Appendix 4 starting on Page 58 in Attachment 4.

The other two reaches that we removed from the 2016 303(d) list based on the fact that they are similarly situated to the east plant area where ACOE found no jurisdictional waters.
